

## Volunteer on New Year's Eve & Create a Little Magic!

Not sure what to do on New Year's Eve? We have the perfect option - Volunteer!

New Year's Fest is a performing arts festival that takes place in Downtown Kalamazoo in heated tents and venues surrounding Bronson Park. When you volunteer, you agree to work a 2 hour shift and in exchange for volunteering, you receive a free button to attend the event along with free parking. It's an evening planned with the good feeling of giving back, meeting new people, and having fun watching performances while you volunteer. We think it's a win-win.

Help us make New Year's Fest a night to remember! New Year's Fest runs from 6:00pm to midnight with live music, heated tents, food trucks, indoor venues, fireworks & more. Volunteers can pick up their buttons starting at 5:30 p.m. and then see shows before or after their shifts. And, depending on the locations, volunteers can also see the shows while volunteering. It's really flexible, fun, and rewarding.

### Volunteer Positions

#### Button Checkers:

These volunteers will greet guests as they enter the buildings and check to make sure that each guest is wearing a NYF button. If you sign up early enough, this is a great spot for a group of volunteers. In some locations, you can even see the shows!

#### Information Tent:

This volunteer position helps to manage the Bronson Park information tent. This includes the distribution of event information, and general needs in the park. This position is in a heated tent at Bronson Park.

#### Volunteer Locations

First Presbyterian Church, KNAC,  
Heated Tent in Bronson Park or Church Street,  
Xperience Event Center, & The Radisson

#### Information Tent Shift Times

3:30-5:30pm

#### Button Checker Shift Times

5:45-7:45pm, 7:30-9:30pm, 9:15-11:15pm

#### Scan the QR Code Below to Sign Up!
